

CHARTERED
VETERINARY
PRACTITIONER®

Are you ready to take your career and personal growth to the next level?

Introducing our comprehensive online learning course to equip you with skills to identify, critically reflect and apply the personal and professional competencies required to maintain individual wellbeing, positive engagement in your workplace, and with the wider veterinary profession.

“Learning the models and techniques taught in this course have helped me both in my personal and professional life and has added to my pride in our great profession.”

Dr Ross Polst

Owner and principal veterinarian
at Hinterland Veterinary Surgery

Veterinary Personal and Professional Effectiveness

What you'll learn

- 1. Mindset Mastery:** Discover proven techniques to cultivate a growth mindset, overcome obstacles, and achieve your goals with confidence.
- 2. Emotional Intelligence:** Develop self-awareness, manage emotions effectively, and build stronger relationships both personally and professionally.
- 3. Effective Communication:** Learn the art of clear, persuasive communication and strategies that foster positive workplace culture and enhanced patient and client interactions in consultations.
- 4. Professional Best Practices:** Acquire essential and practical skills in personal and professional negotiations, ethical and legal decision-making, and professional responsibilities to excel in your career.

21 modules of
expertly curated
content

Why choose our course

- ✓ **CPD Points:** This course is eligible for 160 CPD and may be credited toward the AVA Chartered Veterinary Practitioner professional accreditation program. Receive a certificate upon completion, showcasing your commitment to personal and professional development.
